✓ Manage team ⟩ ○ Project overview ⟩ ○ Project details ⟩ ○ Additional info ⟩ ○ Submit

Manage team

Add, remove, and look for teammates. If you're working alone, skip this step.

Fill out all the sections in the Devpost. If you need help with anything please reach out to our mentors in the #contact-a-mentor channel!

Invite teammates

Either share the link below *privately* with your teammates or send an invite link via email

| Add team members via email – someone@example.com | **Send invite** |

Secret invite link ❓
